Hello Brothers and Sisters,

I just wanted to thank George for stepping up as our new Voice Newsletter Editor. This is a very important position for our ministry. Trip is a very tough act to follow there is no denying that fact :).

I must say though that your very first newsletter came out very nice indeed. I am sure as you grow comfortable in writing it you will be critiquing it to your own baby.

I also ask T.E.A.M.s and members to continue to send George monthly articles he can use for our T.E.A.M. Voice. After all it is yours to read monthly stop in and say hello to us or send in your favorite scripture and what makes it so special to you. Think out of the box to help George send us an informative and fun newsletter. Without us we get what we get what we give, send nothing receive nothing, ho

I also want to thank Trip for her years of commitment to editing the Voice for us.

God Bless,

Proverbs 11:30 (KJV) The fruit of the righteous is a tree of life; and he that winneth souls is wise.

*He who is the Bread of Life began His ministry hungering.  
He who is the Water of Life ended His ministry thirsty.  
Christ hungered as man, yet fed multitudes as God.  
He was weary, yet He is our rest.  
He prayed, yet He hears prayers.  
He was sold for 30 pieces of silver, yet He redeems sinners.  
He was led as a lamb to the slaughter, yet He is the Good Shepherd.  
He died, and by dying destroyed death.*

## *Being Grateful For God's Blessings*

Joseph Addison wrote, "If gratitude is due from man to man, how much more from man to maker. The Supreme being does not only confer upon us those bounties which proceed immediately from His hand, but even those benefits which are conveyed to us by others. Any blessings which we enjoy, by what means so-ever derived, is the gift of Him who is the great author of good and the Father of mercies.

As **James says in 1:17**,  
**"Every good thing given and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shifting shadow."**

We should never neglect being grateful and to give thanks for our blessings. I know there are too many to properly be aware of, that is why I give thanks for the "blessings I know of and the one's I do not". I will list some of the one's off the top of my head on my mind at the moment to thankful for, perhaps it will spark some recognition of yours also.

I thank You Father God, the El-Shaddai for;  
Being born, after all I could have died in the womb, been stillborn or ended up as an abortion.

My parents, whom I grew to realize were among the very best to have had.

My other Family, Grandparents, Uncles, Aunts, cousins, brother, wife, children, grandchildren and all the extended family now and those that have past.

Being born in the United States of America, the best country to be born in with its freedoms and all the Blessings from on high because we were created under Judeo/Christian values and teachings.

Saving me physically sooo many times from serious injury and death when I was so foolishly full of myself and into sooo many wrong things and ways.

Saving me spiritually, opening "my eyes to see and my ears to hear" the beauty, wonder and truth of You-Father, Son and Spirit.

Making a way through the son, Jesus/Yeshua the Messiah, to find redemption and start become right with You.

Sending the Helper, the Holy Spirit, as a guide and conscience to lead, prompt and correct.

Situations and events that have molded and shaped me towards what you desire.

And for all the other myriad blessings You have bestowed on me through the years; Cars, motorcycles, friends, houses, jobs, people that have blessed, taught and corrected me. There are way too many to bring to mind at one time but thank You Almighty God for all of them.

Always looking up,  
gt

Hi my name is Philip Guica president of the TEAM Vermont Christian Riders. I will be taking over as your new chairman for the board of directors starting April 1st 2016. I am here to honorably serve you the members just as the rest of the board of directors are doing. So if you have any questions, concern's or ideas to better this ministry all of us board members emails and phone numbers are in the voice and on the website. We will try our best to get to all items brought up either through the board or just from the board member you contacted, then that board member can let the rest of the board members know about it at the next board meeting.

Just as Matt.20:28 says Just as the son of man did not come to be served, but to serve and to give his life a ransom for many.

Unity and diversity

For as the body is one, and has many members, and all the members of that one body, being many, are one body, so also is Christ.

Even though there are many members in this ministry we come together unity, or you might say as one body of believers agreeing as one in Christ. Just as 1 Cor. 12:14 says there is one body but many members, even though each member of this ministry has their purpose and each member has his or her calling from the Lord, which makes this this ministry solid when we obey the calling God has gifted each one with. Then we are built on a sure foundation.

Thank you  
Philip Guica

#### A Note From The National Road Rep Administrators To TEAM Presidents.

I have been very patient waiting for your Annual TEAM Officer/Members updates I sent to you all. Out of 21 TEAMS I have only received 6 back one of which was our TEAM. I have received emails from a couple of TEAMS but it is time to get the forms to me.

If you did not receive the email or snail mail please contact me right away and let me know so I can send you a new email or snail mail with the form attached/enclosed.

I am sorry I have to post this in the Voice but it is the only way I can be sure all Presidents/Contacts have received your email or snail mail. Please respond via email/snail mail/phone ASAP. If I do not receive your updated Officers/Members report by the end of the month I will have to **believe** your TEAM has either gone Inactive or Disbanded and remove the TEAM from the website and ask the Voice Editor to remove it from the newsletter as well.

Thank You for getting this done ASAP so I can put this issue to rest.

God Bless,
