October

Galatians 5:22-25

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. And those who belong to Christ Jesus have crucified the flesh with its passions and desires. If we live by the Spirit, let us also walk by the Spirit.

A NOTE FROM THE BOARD

Hello All,

I want to bring each of you up to speed on the goings on in and around our Ministry. One of the goals that the BoD wanted, was to gain control of our Web-Site meaning that we are free from an outside source who controls the domain (ie.Indy Web). All updates to the site would have cost the Ministry several hundreds of dollars. Thanks to Steve Modricker and his team, we are the proud owners of the web-site with no cost to our Ministry. We now have control of updates and modifications to be able to produce a site which we all can be proud of. I feel by the time you read this message, Steve will have gotten the site up and running. Thanks to Steve and his team for their hard work.

If you are not aware, George Partridge has stepped down from his positions as AMA Liaison and Kentucky Road Rep. George and Jan are attempting to move to Tennessee and they feel they need to dedicate their time to the building of their home and making the move. Hopefully George will be able to take time in the future to help out in our Ministry. Good Luck to George and Jan and Gods speed to you!

With Georges resignation, the BoD now has asked Fred McClincy to step in as AMA Liaison. Fred has several years of experience with AMA. We feel he will be a great addition to our Liaison position. Fred will be sending each of the TEAMS Presidents a package of important information surrounding AMA and a Team Activities report. I'm hopeful that the Presidents finds the information useful and will assist the Ministry in keeping all updated with your events and activities. **Here again, the BoD is here to serve you.**

October will be a busy month for the BoD. We will be coming together on the 18th and 19th of October for our second face to face meeting. I would like to encourage all to attend. We have set 20 rooms aside for those who would like to come and be involved with the meeting. We are staying at the Comfort Inn, 106 Bair Boulevard, New Stanton, Pa. The phone number is 724-755-2400. Room rates are \$80.00 a night. You will need to have your reservations set before October 1st. to be able to get the \$80.00 price.

Our meeting will start around 1:00. The Bod will be looking at recommendations to fill two positions on the Bod for 2014, plus other topics. After the meeting, I would like to hold a round table to get your thoughts on how we can continue to grow our Ministry
God Bless all and I'm looking forward to see you at our meeting.

Ride Safe!

Proverbs 15:18

A hot-tempered man stirs up strife, but he who is slow to anger quiets contention.

Letter from the Editor

My mom always told me “If you don’t have anything nice to say, then don’t say anything at all.” I think the Bible is pretty clear on that. Galatians 5: 22-25, That I posted on the front of the news letter this month, says it all. I try to live my life in a positive “glass half” full kind of way. That is not always easy to do. We run into people that we don’t always get along with, and situations that send us into a tail spin. I try to remind myself. Those famous 4 words “ What Would Jesus Do” Sometimes, just a little too late. Things come out of my mouth that I can’t take back. I have found out the hard way that words do hurt people and sometimes even change lives. I can only hope that as I get older the lessons I learned stick. God has given me an opportunity in being the Editor of the news letter to have a voice. With this voice I hope to be uplifting and positive! I plan on having articles and devotions that are encouraging. I hope you like my sense of humor, you will be seeing a lot of that! I ask if you plan on sending in things for me to post you also follow that mind set. Uplifting, encouraging and positive!

Because of Jesus We Have Hope!

MARK YOUR CALENDARS for the Fall Gathering 2014! It will be held September 5-7, 2014 in PA., in conjunction with Lansdale Bike Night. It draws over 80,000 people to the event. AMA has listed it as the largest single night event in the country. The current President Rick "Snuffy" Smith has offered spaces for us to set up ministry booths. There will be opportunities to help and serve at the show on Saturday 9/6/2014. More details to follow!!!!!!

Needed: Leathermaker

MJM is looking for a leathermaker to make MJM backpatches for our members. Dave Topalis has made some perfectly beautiful patches but is now working and needs to pass this on to someone else. Dave has a template/dye for pressing the leather and thus, all the backpatches look very sharp and exactly alike. After pressing the leather, the patch needs to be carefully painted with leather paint. When dry, it needs to be sprayed with a clear sealer. Dave will provide written directions for producing the backpatches.

Please give Joan Philpott a call or email if you are interested, 502/834-7449 or rnjphilpott@elkcreek.net.

25th Anniversary, MJM National Spring Kick-Off **April 25-27, 2014**

T.E.A.M. OF THE MONTH

Our ministry is made up of many people from all facets of life. We welcome newer members as well as those members who have been here from the beginning. It is those long timers that I'd like to focus on. The retired riders whose love for our riding and MJM has not gone away, even though their riding days are now just great stories they can share with us.

Shirley and Ken Lemaster joined MJM in 1995, after Don and May Marshall invited them to go on a trip with them. They met a group of MJM riders and connected instantly. Shirley and Ken live in Ashland KY. They never had a team of their own. They paired with the Dayton Believers in Ohio for their yearly cookout and raised money for a local mission. When they spent time in Florida, they were very close to the Florida team. Ken and Shirley have made many friends in MJM and have been to many SKO's. While in their home town, they would go to Biker Sundays and always wear MJM shirts. This offered them the opportunity to witness to people. They were very active in prison ministry in Kentucky and other states.

One really cool fact about Ken and Shirley is they have been in every state in the Continental United States on their bike! They were able to accomplish this in only 4 years of vacation time. How many of us are able to say that?! God has blessed them in the time that they were able to ride. When asked, Shirley told me her favorite part of riding was the freedom and the smell. I knew right away what she meant by that. Her favorite memory is when she drove by a radish farm. The plants were in bloom and the sweet smell was amazing.

In 2007, while they were at Daytona Bike Week, they totaled their brand new 1800 Honda. Ken came away with minor injuries, but Shirley had to have a rod placed in her leg. She had several broken ribs and a broken collar bone, along with many other injuries. Because of that, they no longer ride. They both miss it very much and will have a love for motorcycles until the day that God takes them home.

It is because of people like Ken and Shirley that MJM is what it is today. It was great having Shirley share her stories and her love for MJM. I pray that someday I am in the same position and can share my many stories with members, new and old.

Do Not Let the Sun Go Down on Your Anger

by Dr. Emerson Eggerichs

In your anger do not sin: Don't let the sun go down while you are still angry, and do not give the devil a foothold. — Ephesians 4:26-27

Christian maturity involves a lot of things, but surely it includes knowing how to process your anger. In fact, I believe there is no more dangerous emotion for a married couple to deal with than anger.

The apostle Paul did not teach that all anger is wrong, but that it's what you do with your anger that counts. "In your anger," writes Paul, "do not sin: Do not let the sun go down while you are still angry" (Ephesians 4:26).

You have probably heard these familiar words in more than one sermon. The question is, how can you use Paul's instructions as you practice Love & Respect? Paul knew that to have real feelings is very human, but to let real feelings turn into hard feelings that rage on is childish and dangerous. When anger takes control, the Devil is ready to move in and put you on the Crazy Cycle.

Satan loves the Crazy Cycle; it is his favorite mode of transportation and he wants to ride it with you! The Devil is always scheming, and one of his favorite targets is your marriage.

But there are ways to be awake and ready for Satan's schemes (Ephesians 6:11–18). For example, have you ever realized after an angry exchange, That wasn't me. What came over me?

What came over you was the Devil. He did not possess you, but your anger gave him the opportunity to take advantage of you (2 Corinthians 2:11).

Try to remember that during marital tension, you can easily slip into what I call "default mode," behaving in a way that reflects the human tendency to react more readily in a sinful way than a holy way. If not careful, you will follow your subjective and sinful feelings and justify these feelings because they are "so real."

If you feel frustrated, you can default into sinful anger. If you feel hurt, you can default into retaliation. If you wish to "make a firm point," you can default into making a cutting remark. Justifying such feelings by calling them "righteous indignation" does not impress the Lord. What does the Bible say? "Your anger can never make things right in God's sight" (James 1:20).

Insight: When anger is in control, sin and the Devil can have a field day.

Bottom line: when you default into "just being human" and feed your carnal nature, you give the Devil a foothold he wouldn't have had if you had controlled your anger. But you don't have to default; you can defeat the Devil's schemes by calling on God for help.

Yes, you may have real feelings of frustration toward your mate, but you know that doesn't justify losing it emotionally or saying nasty things. Yes, you may be angry, but you choose not to sin. You have real feelings of hurt from the misunderstanding, but you know it is an honest misunderstanding, and you decide to pull back, count to ten, and give yourself time to cool off.

One approach you might want to try is reading Proverbs 14:29 out loud three times (or ten, if necessary): "People with understanding control their anger; a hot temper shows great foolishness".

Prayer: Ask the Lord for the wisdom to defeat Satan, the schemer who intends to gain a foothold in your marriage through sinful anger. Thank Him for any progress you have made in controlling anger and not letting real feelings turn into hard feelings.

Action: When I realize I'm getting angry, I will tell myself, I will not let the sun go down on my anger. Before I put my head on the pillow, my anger will be gone.

James 1:19,20

Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger; for the anger of man does not produce the righteousness of God.

Your Turn - Answer these Questions

* “I believe there is no more dangerous emotion for a married couple to deal with than anger.” Do you both agree? What other emotions are hard for you to deal with?

* When marital tension cranks up and frustration is turning to anger, why is slipping into “default mode” a real possibility? How much does rationalization have to do with allowing yourself to slip into default mode? What does James 1:20 have to say about rationalizing angry language and behavior?

* What do you think of Emerson’s idea to repeat Proverbs 14:29 three times as a way to control angry feelings? Could this work for you? Are you willing to try it? What about you? We’d love to hear from you!

For our Sons of Anarchy Fans!

Some of our PA MJM members had the opportunity this year to meet “Tig” and “Bobby Elvis” from Sons of Anarchy. We even got them to come visit our MJM Booth! How cool is that! Did you ever think you would see a Sons of Anarchy at a Christian Motorcycle Booth? God is Good!!

You can only keep one thought in you mind at a time, so make it a good one.

Hurricane Sandy Fundraiser

In late October 2012 Hurricane Sandy came on shore in New Jersey and the North-eastern States. It caused millions of dollars of destruction. This took place right in our back yards. Many of us here in Eastern Pa were effected by the storm. Riders for the Son really wanted to do something to help. We put our heads together and decided to raise money for a local food bank and going there to provide service. Monmouth Ocean County Food Bank, in Monmouth Ocean County NJ, broadcasted on the news of their need for food and funds. With the help of many donations from MJMers around the country and many of our friends and family, raised \$1330. That will provide 3990 meals. We also paired up with Glenside Bible Church and had a Family Fun Night "Sand Castles For Sandy", and asked they make a donation of non-perishable food. It was an awesome night! MJM Riders for the Son and some members of Glenside Bible Church made the trip down to the Food Bank in Early May. The food donation were 383lbs.

On Saturday November 9th 2012 MJM teamed up with Site Specific to work on some of the houses in NJ. You can go to MJM Riders for the Son Web site and watch a great video to see what they did. www.mjmriderfortheson.com It is right on the home page.

JOANN'S CORNER

I don't know about you all but fall is my favorite time of the year! The colors are beautiful! The smell of fire places are in the air! Its time to do some good old home cooking. Its not to hot to have the oven on or simmer things on the stove for hours. MMMMMMM GOOD!

Take the time to enjoy the view!

Two Ingredient Pumpkin Cake with Apple Cider Glaze

For the Cake:

1 Yellow Cake Mix

1 15 ounce can of pumpkin puree

For the Glaze:

1-1/2 cups powdered sugar

3 Tablespoons apple cider

3/4 teaspoon pumpkin pie spice

Empty the contents of the boxed cake mix and pumpkin puree into a large bowl. Using a hand-mixer or stand mixer beat until well incorporated. The batter will be very thick, but will come together nicely. Pour batter into a greased 7 x 11 X 2 pan. This is the small, rectangular-sized pan from your Pyrex set. You know the set you had to have when you got married and rarely ever used all the pieces. Finally, you have a use for it.

Bake at 350 degrees for 28 minutes or until a toothpick inserted in the center comes out clean. Do not over bake.

Let cool for 5-10 minutes in the pan, then flip onto a platter.

Make the glaze while you're waiting.

Combine powdered sugar, apple cider and pumpkin pie spice. Glaze should be thick but pourable. Add more sugar or cider if needed. Pour over the cake while still warm. Reserve some to pour over each slice when served.

Just something to make you laugh!

Two robins were sitting in a tree. "I'm really hungry," said the first one.

"Me too," said the second. "Let's fly down and find some lunch."

They flew to the ground and found a nice plot of plowed ground full of worms. They ate and ate and ate until they could eat no more.

"I'm so full I don't think I can fly back up to the tree," said the first one.

"Me neither. Let's just lay here and bask in the warm sun," said the second.

They plopped down, basking in the sun. No sooner than they had fallen asleep, when a big fat tomcat snuck up and gobbled them up.

As the cat sat washing his face after his meal, he thought, "I just love 'baskin' robins.'"

"The Bible tells us to love our neighbors, and also to love our enemies; probably because they are generally the same people."

~ Gilbert K. Chesterton

Stay On The Road

The road to success is not straight. There is a curb called failure, a loop called confusion; speed bumps called friends; red lights called enemies; caution lights called family. You will have flats called jobs, but if you have a spare called determination; an engine called persistence; insurance called faith, and a driver called Jesus, you will make it to a place called success !!!

This was a quote that I had found from very best quotes, and it reminds me of the scripture from Matthew Chapter 6: 31-34 where it says " Do not be anxious then, saying what shall we eat?" or "what shall we drink?" or with what shall we clothe ourselves?" For all these things the Gentiles eagerly seek; for your heavenly Father knows that you need all these things. But seek first His Kingdom and all these things shall be added to you. Therefore do not be anxious for tomorrow; for tomorrow will care for itself. Each day has enough trouble of its own.

How true it is and I think if we were in an open meeting we would hear a lot of amen ! What is so awesome about our God, is he already knows what all we are going through and is saying to us is, don't allow these things to still what he has already made available to us through His son Jesus. We must stay persistent to receive the promises of God and receive our break through for whatever your believing God for. We should either be in the middle of a battle, just coming from one, or on our way to one, knowing that God is our refuge and our strength.

Stay on the road and not allow curbs, speed bumps, red lights, caution lights, flats and all else satin would throw at you. Be persistent and keep the faith by staying full of the word and let God bring you to that place of success in what you believe for.

HAVE A SAFE and BLESSED DAY !
